

New & Improved Interview Scheduling in SilkRoad Recruiting

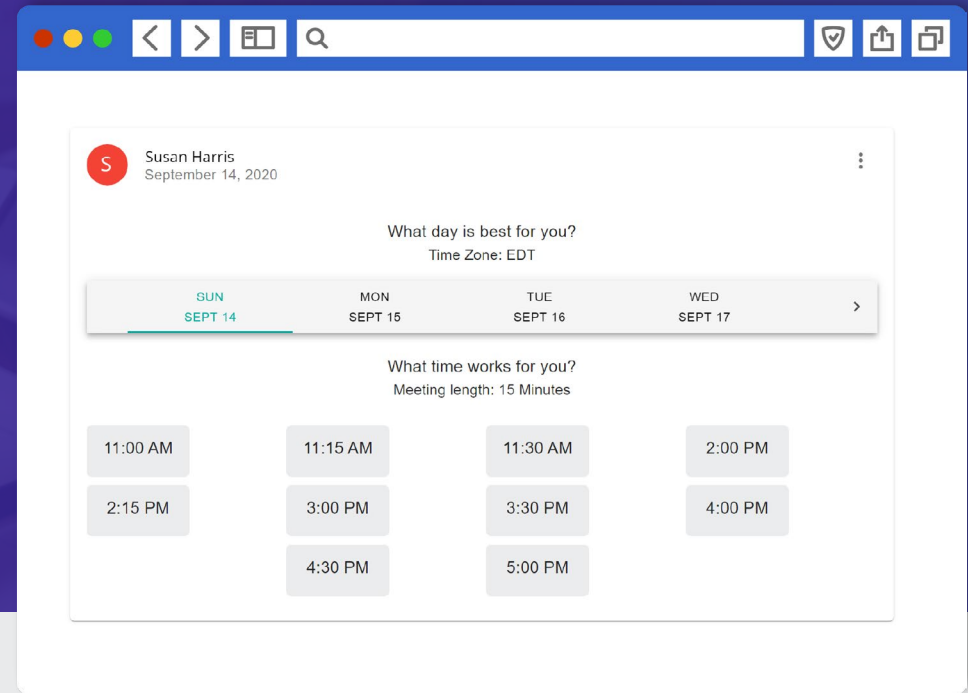

Simplify and automate interview scheduling to speed time to hire and differentiate the candidate experience.

Spend minutes, not hours coordinating availability and scheduling interviews.

Improve productivity and reduce coordination with vastly improved scheduling experiences. Identify preferred availability for interviews to optimize recruiting and hiring manager time and energy.

Advantages

- Improve recruiter and hiring manager productivity
- Provide a self-service experience to candidates
- Keep candidates in the recruitment funnel by scheduling interviews faster
- Simplify rescheduling and reduce likelihood of no shows
